

BOTTOMS UP TO IMPROVE YOUR BOTTOM LINE!

This social networking event was one you didn't want to miss at McFate Brewing Company! The event offered a social hour and 1.5 CEUs about strategies to increase your practice's profitability in your provision of patient care.

The event had over 20 attendees and two experienced speakers that discussed issues that impact your bottom line and a detailed plan to improve them.

Special thanks to Burkhart and AZHCR for making this event possible!

Check out our website for other great upcoming events like Fundamentals of Orthodontics for the GP in June and our Oral Sedation course in August!
